

2027 Diamond DA42 -VI

N-TBD SN 42.NTBD

You can order a new 2027 DA42-VI with Q1/2 2027 delivery to your specification with a special Premier year-end promotion. Get free Garmin Synthetic Vision Technology (SVT) and your first annual base rate inspection at no charge. On top of that you get a few things no preowned DA42 -VI can offer you. 3-years full factory warranty, Garmin GXW75 radar and electronic standby instruments. As Diamond's only U.S. factory authorized dealer, we maintain standing orders which give you access to pre-spec new inventory which can be modified to your specification if you act quickly. When considering buying new versus preowned for a very small difference you get a 2027 model year airplane, with warranty and the current factory specification which no preowned plane can match. Imagine having the plane of your dreams, built to your spec. The wait is worth it. Premier's DA42-VI year-end promotion ends December 31, 2026, so call us today for full details.

Founded by pilots and built around relationships, Premier Aircraft Sales takes a more personal, hands-on approach than the typical aircraft brokerage. From initial conversations and market guidance to demos, delivery, training coordination, and ongoing support, our team stays closely involved throughout the entire process — not just the transaction.

As the leading Diamond Aircraft dealer in North America and a proud authorized Diamond Aircraft service center, we combine deep product knowledge with factory-backed maintenance expertise and a genuine passion for aviation. From aircraft acquisitions and sales to inspections, maintenance, upgrades, and owner support, our team is committed to helping buyers and sellers feel confident, informed, and supported long after delivery day.

Premier Aircraft makes effort to ensure accuracy of the description and specifications but make no guarantees. All specifications are subject to verification by buyer, and the aircraft is subject to prior sale. Buyer is responsible to ensure that the aircraft and its components are as described.

A group of approximately 25 people, mostly men, are posed in two rows against a large American flag. The front row is standing, and the back row is slightly elevated. They are wearing dark blue or white polo shirts with a small logo on the chest. One man in the front row is holding a small brown dog. The background is a large American flag with the stars and stripes clearly visible.
