2020 DIAMOND DA62

N37ES | SN 62.133

Seven seats, FIKI Certified, and Air Conditioning under \$1.3 million is not a combination that comes up often. N37ES has it all: seating for seven, air conditioning, TKS certified for flight into known icing, and onboard oxygen. Custom paint in silver and anthracite metallic with light Sunset Orange stripes over an Onyx interior. 770 hours, and an annual completed in April 2026 at a Diamond service center. It will be sold with a fresh annual by a Diamond Service Center. This plane is ready for you!

Premier
Sales, Inc.

N8

Founded by pilots and built around relationships, Premier Aircraft Sales takes a more personal, hands-on approach than the typical aircraft brokerage. From initial conversations and market guidance to demos, delivery, training coordination, and ongoing support, our team stays closely involved throughout the entire process — not just the transaction.

As the leading Diamond Aircraft dealer in North America and a proud authorized Diamond Aircraft service center, we combine deep product knowledge with factory-backed maintenance expertise and a genuine passion for aviation. From aircraft acquisitions and sales to inspections, maintenance, upgrades, and owner support, our team is committed to helping buyers and sellers feel confident, informed, and supported long after delivery day.

Premier Aircraft makes effort to ensure accuracy of the description and specifications but make no guarantees. All specifications are subject to verification by buyer, and the aircraft is subject to prior sale. Buyer is responsible to ensure that the aircraft and its components are as described.

A group of approximately 25 people, mostly men, are posed in two rows against a large American flag. The front row is standing, and the back row is slightly elevated. They are wearing dark blue or white polo shirts with a small logo on the chest. One man in the front row is holding a small brown dog. The background is a large American flag with the stars and stripes clearly visible.
