2024 Diamond DA -50 RG

N23DA | SN 50.C.A.055

Upgrade to First-Class General Aviation: The Retractable Jet-A Powerhouse Awaiting Your Command
Leave behind the cramped cabins, avgas vulnerabilities, and multi-lever workload of your light piston single, and step into the future of cross-country capability with this pristine 2024 Diamond DA50 RG (N23DA) from Premier Aircraft Sales. Boasting a mere 335 hours since new, this spectacular five-seat aircraft offers the ultimate "move up" experience by combining twin-turbocharged Continental CD-300 Jet-A efficiency with a massive, luxury cabin and a satisfyingly smooth retractable gear profile. Forget managing complex fuel mixtures and high-altitude physiological strain; N23DA simplifies your single-pilot operations with dual-channel FADEC single-lever power controls, built-in oxygen, factory air conditioning, and the pinnacle Garmin G1000 NXi glass panel with Synthetic Vision. Safely turning heads on every ramp with its Anthracite, Black, and Wild Cherry Premium exterior finish, N23DA represents the best useful-load DA50 on the market—ready to seamlessly scale up your business and family missions with unprecedented ramp presence and modern safety.

OFFERED AT

$ 999,000

Founded by pilots and built around relationships, Premier Aircraft Sales takes a more personal, hands-on approach than the typical aircraft brokerage. From initial conversations and market guidance to demos, delivery, training coordination, and ongoing support, our team stays closely involved throughout the entire process — not just the transaction.

As the leading Diamond Aircraft dealer in North America and a proud authorized Diamond Aircraft service center, we combine deep product knowledge with factory-backed maintenance expertise and a genuine passion for aviation. From aircraft acquisitions and sales to inspections, maintenance, upgrades, and owner support, our team is committed to helping buyers and sellers feel confident, informed, and supported long after delivery day.

Premier Aircraft makes effort to ensure accuracy of the description and specifications but make no guarantees. All specifications are subject to verification by buyer, and the aircraft is subject to prior sale. Buyer is responsible to ensure that the aircraft and its components are as described.
